

MARKET NOTICE

Market Notice: 2017_5

Date: 7 December 2017

Subject: Public Register for Statements of Commitment to the FX Global Code.

Members are advised that AFMA and ACI Australia will launch a Public Register for Statements of Commitment to the FX Global Code on Tuesday, 2 January 2018.

The FX Global Code was launched in May, 2017 and provides a common set of guidelines to promote the integrity and effective functioning of the wholesale foreign exchange market. The Code has been welcomed by the market and regulators expect market participants to sign a "Statement of Commitment" to demonstrate their recognition of and commitment to adopting the good practices set forth in the Code.

The Statement of Commitment can be found at this address:

www.globalfxc.org/docs/statement_of_commitment.pdf

The Global Foreign Exchange Committee (GFXC) is promoting the development of public registers for market participants to post their Statement of Commitments. The registers will facilitate market participants declaring their attendant recognition of, and commitment to adopting the good practices set forth in the Code and assist interested parties in identifying market participants that have done so.

AFMA and ACI Australia are currently accepting Statements of Commitment from market participants for uploading to the register in readiness for the go-live date.

Members are invited to provide their Statements of Commitment (PDF format) and any correspondence via email to Mark McCarthy, Director Markets: mmccarthy@afma.com.au

About AFMA

The Australian Financial Markets Association (AFMA) is the leading industry association promoting efficiency, integrity and professionalism in Australia's financial markets and provides leadership in advancing the interests of all market participants. These markets are an integral feature of the economy and perform the vital function of facilitating the efficient use of capital and management of risk. Market participants perform a range of important roles within these markets, including financial intermediation and market making.

AFMA represents over 120 members including Australian and international banks, leading brokers, securities companies, state government treasury corporations, fund managers, traders in electricity and other specialised markets and industry service providers.
